

NIHR ARC Wessex Internship Application Form

Research Initiation questions

- Please upload a short, 2 page, copy of your CV.
- What is your proposed Project Title?
- Please detail your reason for applying for the award and why you believe research can help your care and practice (**max 200 words**)
- What skills and qualities you have which would make you suitable for the Internship programme? (**max 200 words**)
- Please detail the outcomes that you will have achieved by the end of the award and how you will work with PPIE to achieve these (**max 400 words**).
- Please detail your choice(s) of research supervisor at one of our ARC Wessex partner organisations - giving reasons for your choices and explain how they would support you during the award period (**max 200 words**)
- Please upload a research related training needs analysis plan, including a Gantt chart, to support your learning that will be gained through the duration of the internship award, and how your training will benefit your area of work and the ARC Wessex community (**please limit this plan to 400 words**)
- Please upload details of how your project aligns with:
 - a) ARC respective themes (Ageing and Dementia, Healthy Communities, Long Term Conditions, and Workforce and Health Systems)
 - b) Your health or care organisation/team or regional health and care priorities and needs.
(Please limit this to 100 words excluding diagrams/flow charts etc.)
- Please upload a letter of support from your Line Manager (on headed paper)
- Please upload a letter of support from a proposed research supervisor (on headed paper)
- Please upload a detailed justified spending plan that includes co-funding arrangements (aligned with your training plan Gantt chart) and including costs for PPIE activities for the award period (note the maximum amount that can be requested from ARC Wessex for a Research Initiation Award is £10,000)
- Is there anything else you would like to add to support your application? (**max 100 words**)
